### RULES FOR PRESS ACCREDITATION

Journalists, photojournalists, cameramen and radio operators must show an original copy of the request for accreditation formulated by a journalistic or telematic organization registered with the court of territorial jurisdiction. Each applicant for press accreditation must show the request for accreditation on the headed paper of the entity they represent or document that they belong to them. Acceptance of the accreditation application is subject to the endorsement of the press office of the organizer of the event. Each request will be verified so that the real conditions exist for the issue of accreditation and, where required, subject to the supervision of the competent National Sports Federation or higher Organ.

For organizational and security reasons, each newspaper, agency and / or photographic or video studio can credit a maximum number of 2 correspondent. Any other request will not be accepted except in cases deemed suitable by the press office.
